Civil Wedding & Partnership Ceremonies at Lakeside

Holding your Wedding Ceremony at Lakeside will provide you with a lifetime of happy memories...

Lakeside is Nottingham's most exclusive wedding venue offering a perfect setting for your marriage

Our local Registrars from Basford Registration District perform all marriage and partnership ceremonies, they can be contacted on 0115-9271294.

You will find the following guidelines helpful:

- * Establish availability with both Lakeside and the Registrar for your selected date. However, bookings with the Registry Office may only be made up to 24 months in advance.*
- * Make a provisional booking with ourselves either in person or by telephone, which we will hold for two weeks until you have confirmed details with the Registrar.*
- * If the date of the wedding is more than 24 months ahead it will be necessary to confirm a booking for your Wedding Reception with us prior to being able to confirm your ceremony. If you do not do this and instead choose to wait until you can book your ceremony please be aware that your chosen date may no longer be available.*

A separate charge will apply to conduct the ceremony, this does not include the fees of the registrar which are payable direct.

Please note that a reduced fee is applicable for weddings held Sunday to Friday.

The maximum capacity for a ceremony would be 110 guests.

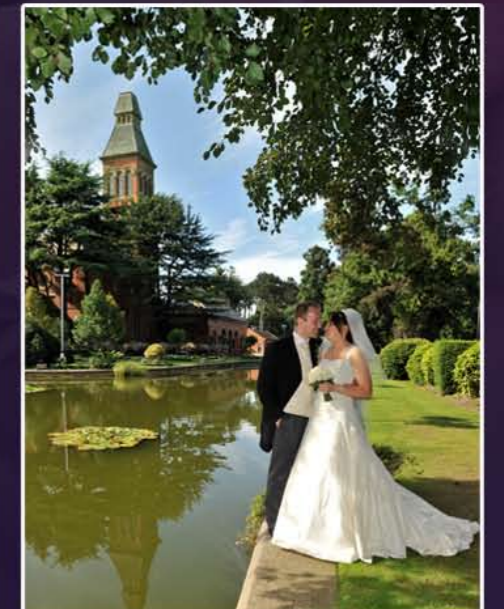

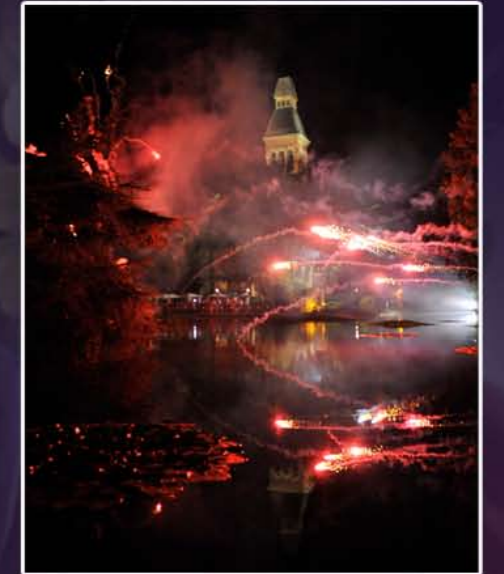

After the ceremony, the ideal arrangement would be for you to entertain your guests in the gardens whilst photographs are being taken, with the service of refreshments on the Boardwalk. Should the weather prevent drinks on the Boardwalk, Reception drinks are served in The Brasserie or you can exclusively hire the Pump Room Restaurant.

We look forward to welcoming you to Lakeside
